Primary School Competition

Dear Colleague

We would be delighted if you could join us as our guest for the final of the Enterprise Troopers National Primary School Competition, to be held on Thursday 22 March 2016 at the Doctor Who Experience, Cardiff Bay.

The competition is part of the Welsh Government's Big Ideas Wales campaign, promoting entrepreneurship in young people. It aims to encourage Primary schools to undertake more enterprise activity and to celebrate the good practice that is already taking place across Wales.

The final will see 15 of very best teams from Key Stage 2 (age 7-11) compete for the title of National Champions.

The judges at the Regional Finals have been exceptionally pleased with the standard of entry. I am sure you will find a visit extremely worthwhile and inspiring. It will also be an opportunity to network with others attending.

The event will be take place between 09:00 – 14:30. Guests are invited to join us for a buffet lunch at 12:15 where there will be an opportunity to view the pupils work prior to the Awards ceremony. The Minister for Economy, Science and Transport, Edwina Hart MBE CStJ AM will speak at the event at 2:00pm and the event will close by 2.30pm.
