

Enterprise TROOPERS

Lower Primary

Activity 11: How well did we do?

Learning Objective

To enable pupils to review the success of their enterprise activity.

Entrepreneurship Characteristics

Attitude

- Self-confidence

Relationships

- Communication
- Working with others
- Negotiation, persuasion and influence

Learning activities

Discuss with the pupils the outcomes of their enterprise project.

- *“How successful were we?”*
- *“How many products have we sold?”*
- *“How much profit did we make?”*
- *“What did we learn?”*
- *“What did we enjoy most?”*
- *“What would we change/improve for next time?”*

This is a good opportunity for peer and self-evaluation. Ask the other pupils to give constructive feedback.

Using photographs of the project, pupils create an Enterprise Troopers presentation of their enterprise project to share their findings to the class, and the rest of the school.

Inform parents through the school website and/or newsletter.

Celebrate their success! Your pupils are now Enterprise Troopers!
