Relationships

- Presentation
- Communication

Organisation

- Planning
- Vision and goal setting

Learning activities

Every business needs a plan that outlines how it will be set up and run.

Discuss with pupils the need for a plan to organise their enterprise project.

Ask them to consider key questions such as:

- *What is your enterprise idea?*
- *Who will be working on your enterprise?*
- *Who will be your customers?*
- *Who are your competitors?*
- *How much money will you need?*
- *Where will you get the money?*
- *Will you need a loan? How will you pay it back?*
- *How will you keep track of the money?*
- *How much profit do you think you will make?*
- *What will you do with any profit?*
- *What help will you need?*
- *How long will your enterprise last?*

Activity 4:

Can we plan?

Upper Primary

In groups, pupils use ICT and their answers to prepare their Enterprise Troopers Action Plan. It is important that everyone involved in the enterprise project knows understands and agrees the contents of their plan.

The pupils will need to present their action plan to the Head teacher (and possibly a governor) to raise capital for their enterprise.

Learning Objective

Pupils will develop simple planning and presentation skills.
