Agri Academy ■

Class of 2017 complete the Agri Academy and search begins for the Class of 2018

On January 23rd at the FUW Breakfast in Cardiff the Agri Academy 2018 was launched and the search began for the next cohort of future rural leaders and entrepreneurs. On the same day, the Agri Academy Rural Leadership group met for their third and final session where they met with Lesley Griffiths Cabinet Secretary, Dr Tim Render, Prof. Christianne Glossop and Gary Haggaty.

Agri Academy Alumni Reunion

The Agri Academy Reunion event was held at the Marine Hotel on the 26th of January. The event brought together alumni from the classes of 2012-2017 to build upon the valuable connections gained through the Agri Academy as well as forming brand new networks. It was also a chance to celebrate the achievements of the Agri Academy by showcasing their value to the industry. The interactive sessions arranged gave key industry stakeholders the opportunity to utilise the knowledge and opinions of the Alumni to inform policy and future delivery.

The keynote speakers of the day were Sean Taylor, the co-founder of Zip World, and journalist Anna Jones. The event also included Question Time and a Speed Dating Networking Session with key industry stakeholders and special guests. The event came to a close with the after dinner speaker Dr Jonathan Birnie who discussed facing change within the agricultural industry.

Some comments from the alumni...

Really enjoyed the chance to ask questions during the speed dating session rather than having to ask in front of a large audience as it gave everyone the opportunity to speak. Brilliant event, thank you.'

'Excellent opportunities to network with like-minded people and meet some people you wouldn't normally have the chance to speak with.'

Great opportunity to discuss relevant matters and be questioned to broaden our ideas and thoughts of our industry & the general public.'

'Like-minded people coming together, networking and working together for a vibrant, prosperous Welsh Agri industry.'

'Fantastic opportunity to mingle!'

'Great to learn about the industry & network.'
