Have you got an up-to-date business plan?

Registered farmers and foresters can apply for 80% funding for a business plan through the Farming Connect Advisory Service.

Confidential, one-to-one specialist advice from an approved adviser can help you...

- ✓ Reduce costs by increasing efficiency across all areas of your business
- ✓ Benchmark your performance and work towards progress and growth
- ✓ Identify areas for improvement and find solutions to problems

A business plan tailored to your needs, will give you a clear understanding of your current business profile. It can cover planning for the future, business and financial management as well as technical areas involving land and livestock.

Apply for the Advisory Service today – your new business plan will help your business become...

- ✓ More efficient
- ✓ More sustainable
- ✓ More profitable

To find out more about business planning, contact your local development officer or the Farming Connect Service Centre on **08456 000 813**. For further information about the Advisory Service and how it can help your business reach its potential, visit gov.wales/farmingconnect

➔ Don't delay, apply today!
