- MECHANIC**
P. B Jones, Agricultural Contractors, Presteigne **June 2018 to date**
Promoted after six months and given greater responsibilities with more specialist and skilled tasks. Duties include:
- Responsibility for organising own workload, health and safety issues and assisting with all the firm's general mechanics and repairs
 - Used to liaising with customers, identifying mechanical problems and

carrying

- out the necessary repairs to a high standard
- Stock control, keeping records

Farm labourer

G Davies & Sons, Far End Farm, Knighton

June 2016- May 2018

The farm owner soon realised he could depend on me and trusted me to make important decisions when I was left in charge on my own. Duties included:

- Helping with the general running of a 300-acre sheep and beef farm
- Taking sole responsibility and important decisions when the owner was away from the business.
- Day to day duties included lambing, calving, shearing and general animal husbandry.
- Helping to maintain farm records accurately and efficiently

Trainee mechanic (work experience)

Fix it Mechanics, Knighton

April 2016 – May 2016

- Garage owner was impressed with my attitude and ability to complete all duties reliably and efficiently.
- I was soon given full responsibility for answering the phone, taking bookings and dealing with customers.
- I enjoyed learning the skills required by observing and working alongside the head mechanic.

Additional
information

- Full driving licence (HGV licence, trailer towing)
- Secretary of Presteigne YFC, previous winner of numerous national, county and local awards in stock judging, public speaking etc
- Committee member of Presteigne sheepdog trials and Presteigne Eisteddfod
- Key interests include playing rugby for Presteigne RFC and coaching local 'under 11' teams
