The list of mandatory E-learning modules mapped to the existing accredited training course list from 1st April 2024

If you have applied or are applying for an accredited short course, you may also need to complete a short e-learning module on the Business Wales (BOSS) website.

Please check the list below to see if your course is listed and if so what mandatory e-learning module you also need to complete as part of your application.

Please note failure to successfully complete the associated mandatory e learning module before the end of the month of application will mean your application will unfortunately be cancelled. If you need any help or support to complete the e-learning module, please contact 03456 000 813. Thank you.
