

## The list of mandatory E-learning modules mapped to the existing accredited training course list from 1<sup>st</sup> April 2024

If you have applied or are applying for an accredited short course, you may also need to complete a short e-learning module on Skills Hub.

Please check the list below to see if your course is listed and if so what mandatory e-learning module you also need to complete as part of your application.

*Please note failure to successfully complete the associated mandatory e learning module before the end of the month of application will mean your application will unfortunately be cancelled. If you need any help or support to complete the e-learning module, please contact 03456 000 813.*

*Thank you.*

<i>Mandatory Module</i>	<i>Farming Connect Theme/Category</i>	<i>Accredited Training Course</i>
<b>Mandatory Module: Health and Safety – Risk Management in Forestry and Farming</b>	<b>Business</b>	Agriculture Health and Safety - Preparing for an Inspection
