THURSDAY 14TH JULY • 10AM-12:30PM

FOLLOWED BY A BUFFET LUNCH
M-SPARC, GAERWEN, ANGLESEY

Join this Sustainable Scale Up Cluster event to learn and familiarise yourself with the complex world of finance products. This will enable you as business owners/managers to apply for the most appropriate and cost effective form of finance for your business needs.

This panel will discuss and compare different products such as:

- Asset Finance
- Lease Finance
- Invoice Finance/Factoring
- Debt
- Equity/Investment

We will be discussing the difference between debt and equity, as well as considering the pros and cons of each and when they are most suitable in the business life cycle.

There will be a buffet lunch and great networking opportunities in the fabulous environment of the M-SParc building.
