

# SCALE UP SURGERIES

FOR WELSH FOOD & DRINK BUSINESSES

## COME AND TALK TO THE TEAM ABOUT SCALING UP YOUR WELSH FOOD OR DRINK BUSINESS!

We're hitting the road with our Scale Up Surgeries. Join us for a confidential chat with our scale up specialists about your growth plans and how we can help you turn them into a reality.

We can help you with:

- Getting the best out of your management information and accounting systems
- When and how to increase capacity
- When to invest in Enterprise Resource Planning (ERP) or Materials Requirements Planning (MRP) systems
- Sourcing the right type of finance for your business
- Understanding profitability of product lines
- Forecasting & cost modelling in an uncertain world
- Planning exits/succession/acquisitions
- Scaling your business through NPD
