

Export Club: Classification of Goods Virtual Training

Delivered by Chambers Wales

5.30 – 7.00pm Thursday 10th December 2020 over Zoom

Selecting the correct commodity and tariff codes for customs compliance can be confusing, and as the legal obligation to select the correct codes lies with you, it's vital that you get it right first time.

Chambers Wales have put together this online course, tailored to the Welsh food and drink sector to help you understand the uses of commodity and tariff codes and guide you to using the correct codes for your products.

Who should attend?

Anyone in your business who is responsible for identifying the correct commodity code for imports or exports e.g. sales, finance and procurement.

To help you make the most of this course, please submit any questions you may have in advance of the course to angharad.evans@bic-innovation.com

This FREE* course is limited to 20 spaces, on a first come, first served basis. After registering, you will receive a confirmation email containing information about joining the training.
