The COVID-19 Economic Resilience Fund (Phase 2) provided financial assistance for eligible businesses and organisations who faced operational and financial challenges as a result of the COVID-19 outbreak.

The purpose of these Funds were to support businesses and organisations with immediate cash flow support to help them through the economic consequences of the COVID-19 outbreak. The fund complimented other COVID-19 response measures to support businesses, social enterprises and charitable organisations in Wales.

Below are the ERF Phase 2 Micro Scheme recipients for phase 2.
