

## Welsh Government Economic Resilience Fund – Sector Specific Fund Phase 1 Awarded Organisations – Micro

The Economic Resilience Fund (ERF) Sector Specific Fund (SSF) Phase 1 provided emergency financial assistance to businesses and their employees (primarily in the hospitality, leisure and tourism sectors including supply chains) where businesses have been forced to close or have been materially affected by restrictions.

The fund seeks to compliment other Covid-19 response measures to support businesses, social enterprises and charitable organisations in Wales.
