Apprenticeship Framework in Construction Building

Framework No: FR04347 Issue: 28 Date: 08/10/2019

The content of this Framework has been agreed and published by the Construction Industry Training Board (CITB).

OVERVIEW:

This Framework specifies the standards and criteria for the delivery of Level 2 and 3 training provision within the Construction Building Services sector. Successful completion of the provision will lead to the award of a designated/regulated qualification(s) within the sector.

The Level 2 Apprenticeship is suitable for a variety of roles, including painter, bricklayer and carpenter.

The Level 3 Apprenticeship is suitable for a variety of roles, including painter, bricklayer and carpenter.

MANDATORY OUTCOMES

Achievement of these qualifications will be assessed by verification through the appropriate awarding body. Participants must complete:

- Either a competence and a knowledge qualification or a combined competence and knowledge based qualification from one of the following pathways.
- Essential Skills and the Employment Rights and Responsibilities as stated below.

Pathways for this Framework at level 2:

Pathway 1: Decorative Finishing and Industrial Painting
