If a provider is able and contracted to deliver a Framework/Level, but hasn't since August 2015, they will not appear as 'Y' on this report.

If a provider has delivered a framework but has been deemed ineligible for funding for any reason, they will not appear on this report.

The Sector name provided is the naming convention applied when referring to the sector a provider is contracted to deliver.

Due to the Progress for Success programme (Children's Care, Learning and Development and Playwork framework), if the learner is aged 25+, only 3 providers are eligible to deliver the programme.
