The COVID-19 Economic Resilience Fund (ERF) Phase 3 provided financial assistance for eligible businesses and organisations as a result of the COVID-19 outbreak.

The purpose of these Funds were to support and develop businesses and organisations with their recovery as a consequence of the COVID-19 outbreak and improve future sustainability. The fund complimented other COVID-19 response measures to support businesses, social enterprises and charitable organisations in Wales.

Please see below the ERF Phase 3 Tourism Small Businesses recipients.
