Support Worker Training

Participant Feedback

Huge confidence boost, the scare factor has been taken out of applying for jobs. The informal approach really helped.

Tutor was very informative made me feel relaxed and not anxious and explained everything to be able to understand.

I think this course has helped me in knowing this is the route I definitely want to go down, you've done amazing thank you.

I really appreciate all the effort and time and detail you gave to us You have helped me know for sure that this is what I want to do with my life. Thank you!

100% Stated that they felt more confident to apply for a Support Worker position!

100% Stated that they would recommend the course!

Great training very informative and met a lot of nice people. I would advise anyone wanting to go into the support service to attend this course

Very inclusive sessions, made to feel at ease and confident in asking any questions. Very approachable tutor and very informative and comprehensive

I would definitely recommend for anyone interested in starting out as a Support Worker

Excellent course! I found it extremely helpful, and well presented.
