Three month review:	The first walk on the 25th Feb 2018 attracted 7 walkers who took part. Everyone seemed to enjoy the day. Next walk scheduled for 1st April 2018
Lessons learned:	Joining up with Health to promote the health aspects of walking increased our numbers on the first walk despite a bitterly cold day with howling winds!!
Six month review	<p>July 1st 2018</p> <p>Due to poor numbers on the previous walk - , it was decided to promote more heavily for This project was recently discussed at our team meeting as despite efforts to promote it we have still been getting poor numbers attending.</p> <p>Number of suggestions noted</p> <ul style="list-style-type: none"> • Changing the day • Adding in extras such as picnics, scavenger hunts, journey sticks, kite flying, blackberry picking • Joining with other organisations for events such as foraging <p>PDO and Steve to meet to discuss suggestions and way forward. Date to be decided</p>
