Tredegar Arms Hotel Ltd

What are the projects aims?

To fully restore and establish The Tredegar Arms as a sustainable business comprising of luxury accommodation, quality restaurant together with a function facility.

How were these aims achieved?

Being organised and working with a professional building contractor keeping an eye on the smallest of detail.

Who was involved?

Lauren Williams and Grace Williams (Owners), Steve Williams and Robert Williams (Directors of the trading company) and Able Touch Joinery Ltd (Main contractor).

How was the project funded?

The project was achieved with funding from MSBF together with private investment.

Where did you go for help and advice?

Local Authority (Blaenau Gwent CBC) – Alyson Tippings.

What has been the greatest achievement so far?

The whole project was a great achievement and now that we are trading fully we are receiving fantastic feedback from the general public who are grateful to have such a lovely venue in Tredegar.

And the biggest challenge?

Organising all the funding from grants to private investment together with the getting the

timings of everything right.

Any tips for those setting up a similar project?

Be positive and organised.

What's next for your project?

Children's play area at the rear of the property.
