Under the Oak Glamping – Glamp Site Extension

What were the projects aims?

To accelerate the expansion of the new glampsite, creating and sustaining 1.5 new jobs and securing the long-term security of the family farm.

How were these aims achieved?

By building 2 new safari tents.

Who was involved?

Suppliers of Tents, Tubs & Woodburners, plus local tradespeople including plumbers and electricians.

What has been the greatest achievement so far?

Quickly establishing a viable, thriving business.

Any tips for those setting up a similar project?

Do your research, know your market and be realistic about costs.

What's next for the project?

To further expand our site, whilst always looking to improve our guests experience when they stay with us.
